FOUNDATION

# WHO WE ARE

**“From compassion, we rebuild.”**

The Brighter Days Foundation is a humanitarian organization dedicated to rebuilding lives, villages, and hope in the aftermath of natural disasters. Founded in 1999 by Binh Yen Diep after witnessing the devastation of Vietnam's historic floods, the Foundation was born from a simple but powerful belief — that compassion, when turned into action, can restore the world piece by piece. What began as one woman's response to loss and displacement has grown into an international effort bringing clean water, education, and medical care to thousands across Vietnam, the Caribbean, and Southeast Asia.

# WHAT WE DO

„Hope begins where despair no longer dares to speak.“

The Brighter Days Foundation transforms compassion into action. We rebuild what disasters destroy — homes, schools, and clinics — and bring clean water, education, and medical care to communities most in need.

From Vietnam to the Caribbean, our volunteers work on the ground installing wells, building irrigation systems, providing food, shelter, and clothing, and funding life-saving surgeries. Every project is designed to restore dignity, stability, and opportunity — helping families not just survive, but begin again.

# DEMETRIUS GROSSE

## THE SINGER

Where fashion meets fearless purpose.

Demetrius Grosse is an acclaimed actor, producer, and recording artist whose work spans blockbuster films, hit TV series, and now music. Known for standout roles in *Fear the Walking Dead*, *Banshee*, *Justified*, and the award-winning *The Sound of Hope: The Story of Possum Trot*, Grosse will soon join the Marvel Cinematic Universe as Grim Reaper in Disney+'s *Wonder Man*. His debut album, *UHURU*—released via EMPIRE—fuses Shakespearean soul, Afro-futurism, and street symphony into a bold, genre-defying statement on freedom, identity, and resilience.

# THE DJ

## Where fashion meets fearless purpose.

Born in Miami and raised in Jamaica, DJ GQ embodies the heartbeat of two worlds. His signature blend of reggae, hip-hop, and island soul has taken him from the streets of Kingston to global stages alongside icons like Akon, DMX, and Mr. Vegas.

More than a DJ, GQ is a storyteller — weaving rhythm, culture, and emotion into every set. His debut album *Is It You?* topped the iTunes Reggae Charts, proving that his sound moves both hearts and charts.

At the Better Days Foundation 25-Year Celebration, DJ GQ transforms the afterparty into a living pulse of connection — a reminder that music, like compassion, has the power to rebuild and unite.
